Organization of workshop, exhibitions and other events

3rd International Workshop on Systems Biology

Hamilton Institute, NUIM, Ireland, August 15-18, 2010

Chairs: W. Huisinga, R. Middleton, P. Wellsteadt (honorary chair).

Workshop (http://www.hamilton.ie/SystemsBiology/Workshop2010/IWSB_Welcome.html)

1st Hamilton Workshop on HIV: Mathematics & experiments

Hamilton Institute, NUIM, Ireland, February 26th, 2009

Organisers: W. Huisinga, M. von Kleist, R. Middleton, J. dos Santos Ferreira (Hamilton Institute).

Workshop (<http://www.hamilton.ie/hiv-1>)

2nd International Workshop on Systems Biology

Hamilton Institute, NUIM, Ireland, August 17-20, 2008

Organisers: E. Bullinger, W. Huisinga, D. Kalamatianos, O. Mason, M. Verwoerd (Hamilton Institute).

Workshop (<http://www.hamilton.ie/systemsbiology/Workshop2008/>)

Dynamics of Hierarchical Networks

European Conference on Mathematical and Theoretical Biology (ECMTB 08), Edinburgh, July 2nd, 2008

Organisers: M. Falke (Hahn Meitner Institute Berlin), W. Huisinga (Hamilton Institute).

Minisymposium (<http://www.maths.dundee.ac.uk/ecmtb08/main.php>)

1st Hamilton Institute Workshop on Applied Probability

Hamilton Institute, NUIM, Ireland, June 11-12, 2007.

Organisers: K. Duffy, W. Huisinga, Vijay Subramanian, R. Stanojevich (Hamilton Institute).

Minisymposium (<http://www.hamilton.ie/probability/>)

Stochastic aspects of bifurcation and multistability in gene regulation

Minisymposium at the International Council for Industrial and Applied Mathematics (ICIAM), 16.-20. July 2007 in Zürich, Switzerland

Organisers: W. Huisinga (Hamilton Institute) and M. Mackey (McGill, Montreal).

Minisymposium (<http://www.iciam07.ch>)

MITACS-MATHEON Minisymposium Mathematics in Life Sciences

Annual conference of the German Mathematician Union (DMV), 25.-30. March 2007 in Berlin

Organisers: W. Huisinga (Hamilton Institute), P. Deuffhard (Zuse Institute Berlin), M. Mackey (McGill, Montreal).

Minisymposium (<http://www.dmv-gdm-2007.math.hu-berlin.de/minisymposien.php>)

Der virtuelle Mensch - mathematische Modelle des menschlichen Körpers

30. Deutsche Evangelische Kirchentag, Hannover, May 25-28, 2005.

Organizers: W. Huisinga (FU Berlin), M. Weiser (ZIB), S. Zachow (ZIB),

P. Deuffhard (ZIB, FU), C. Hege (ZIB); supported by the FU Berlin, DFG

Research Center MATHEON and ZIB

Exhibition

Almost02: Workshop on Efficient Algorithms for Multiscale Dynamics

FU Berlin, September 23-25, 2002.

Organizers: M. Dellnitz (Paderborn), W. Huisinga (Berlin), Ch. Lubich

(Tübingen), Ch. Schütte (Berlin); supported by the DFG priority program

"Analysis, Modeling and Simulation of Multiscale problems"

Workshop (<http://biocomputing.mi.fu-berlin.de/workshops/almost02/>)
